The Shenandoah District and Pleasant Valley Church of the Brethren are sponsoring Nate Polzin, executive director of Discipleship and Leadership Formation for the Church of the Brethren, as the presenter for the “For My Neighbor's Good-Brethren Evangelism Training Event.”

This training will focus on helping participants connect the story of how they have encountered Jesus in their lives with the needs of others in their neighborhoods who have not yet met Jesus. Rather than trying to memorize a script or a set of answers to pre-formulated questions, we will work to help Christians unlock their personal testimonies. Another aspect of this course will be to develop a team approach to evangelism. We will talk about how the whole church can be involved in helping individual members share Jesus with their neighbors and how all Christians need to think about their reputation in their community. Participants will be asked to think about how things in their congregation may feel and look to visitors, along with other helpful exercises to make our church spaces and services more accessible to guests. These and other topics will be covered by a mix of Bible study, small group sharing, projects and more.
